

# Day of Endometriosis

**Aarhus University Hospital  
Auditorium A & B, Skejby**

**April 20-21, 2015**

We have invited Dr Mario Malzoni, Avellino, Italy to perform live surgery with us at the day of Endometriosis. Mario Malzoni is among the most experienced laparoscopists in the world with more than 11.000 operations. Malzoni performs both general gynecology, gynecological oncology and advanced endometriosis, with the latter taking up an increasing part. Malzoni operates with utmost elegance and his technique is very inspiring.
